

Top-Quality Gusseted Paper Mailers Die-Line by **CPP Boxes**

A perfect blend of security, convenience, and professional appeal.

Quality Gusseted Paper

- Made with a tough, tear-resistant outer layer, paired with bubble-lined interior for ultimate cushioning and protection during transit.
- Provides extra capacity to accommodate a wide range of items, from small accessories to larger, bulkier products, while ensuring a snug and secure fit.
- Features an easy-to-use peel-and-seal closure that ensures a secure seal without the need for tape or extra tools.
- Lightweight design helps reduce shipping costs while offering superior protection against impacts, scratches, and abrasions.
- Perfect for shipping electronics, cosmetics, clothing, documents, and other fragile or high-value items.
- Mostly made from recyclable or biodegradable materials, making it an environmentally conscious packaging choice.
- Available in multiple sizes, colors, and finishes. Custom printing options including logos, branding, and promotional messages available.
- User-friendly design that allows for fast packing and sealing, enhancing your packaging workflow and customer satisfaction.
